Excelsior College

Member of The University of the State of New York
7 Columbia Circle, Albany, New York 12203-5159
(518) 464-8500

Accreditation

Excelsior College (known as Regents College until December 31, 2000) is accredited by the Middle States Association of Colleges and Schools, Commission on Higher Education, and its programs are approved by the New York State Education Department.

Official Transcripts

Official transcripts are issued directly by the Office of Registration and Records and the College seal and signature of the Registrar are affixed. If you have any questions about the authenticity of this transcript, please contact the Registrar at 518-464-8500 and press 1-4-1 at the automated greeting.

All transcripts are released in compliance with the Family Educational Rights and Privacy Act of 1974, with the condition that no third party may be given access to this information without the written consent of the student.

How the College Works

Excelsior College students complete degree requirements by means of Excelsior College Undergraduate and Graduate Courses; Excelsior College Examinations, UExcel[®] Exams, other approved college proficiency examinations; study at accredited colleges and universities in the United States, and ministerially approved international universities; military and business/industry courses; and assessment of experiential college-level learning by faculty members.

A grade of F will appear on the transcript and be used in computing the grade point average for exams taken after January 1, 2008. Exam grades are those determined by Excelsior College.

Excelsior College and UExcel[®] examinations include an "X" after the department prefix effective July 1, 2005 for written examinations and January 1, 2006 for performance examinations.

Grading Policy

Grading system:

A = 4.0	I	= Incomplete
B = 3.0	P	= Pass
C = 2.0	W	= Withdrawal
D = 1.0	AW	= Administratively Withdrawn
F = .0	MW	= Military Withdrawal
	R	= Repeated
	O	= Repeated at Another Institution

Excelsior College Course Numbering System

100-299	Lower-level undergraduate credit
300-499	Upper-level undergraduate credit
500 and above	Graduate credit

Transfer Credit

Transfer credits which the student desired not to have recorded do not appear. All credits have been equated to semester hours.

Effective January 1, 2008, course grades less than C are not acceptable as transfer credit.

Excelsior College Courses

Undergraduate

Excelsior College courses for which students receive a failing, incomplete, or withdrawal grade will be recorded on the transcript. A grade of F will be used to compute the grade point average (Note: Excelsior College undergraduate courses taken from the May 2005 through December 2007 terms, for which students receive a failing, incomplete, or withdrawal grade are not used to compute the grade point average and are not recorded on the transcript).

Graduate

Excelsior College graduate courses for which students receive a failing, incomplete, or withdrawal grade will be recorded on the transcript. Incomplete and withdrawal grades are not used in computing the grade point average. A grade of F is used to compute the grade point average. If an Excelsior College graduate course is repeated, all iterations are recorded on the transcript, but only the most recent iteration is used to compute the grade point average (Note: From the September 2004 through March 2006 terms, if an Excelsior College graduate course was repeated, only the most recent iteration is recorded on the transcript and used to compute the grade point average.).

Graduate Record Examinations

A graduated scale for the Graduate Record Advanced Subject Test was implemented 9-01-96 and is applied to all students who enroll and/or take a GRE Advanced Subject Test on or after that date. Credit for the GRE Advanced Subject Test is awarded according to the percentile corresponding to the student's scaled score. The first 12 credits are awarded at the lower level and all credits awarded thereafter are awarded at the upper level. Faculty determine if duplication exists between the GRE Advanced Subject Test and academic credit earned by other means. Duplicated credits may not count towards degree requirements.

From 9-1-83 to 8-31-96 students were awarded 30 credits for achieving a passing score on a GRE Advanced Subject Test. Prior to 9-1-83, students were awarded 39 credits for a passing score.

Credit Bank

The Excelsior College Credit Bank is a service to individuals not enrolled in Excelsior College who want to consolidate their academic records for employment or educational purposes. The Excelsior College Credit Bank transcript lists college-level credits that could be applied toward an Excelsior College degree. A grade of D and higher in transfer from acceptable institutions is listed on the Excelsior College Credit Bank transcript.
